REPORT

IDP

1. Guest speaker
2. 3Dmax workshop
3. Photography competition

STUDENTS ORIENTED ACTIVITIES

NO.	1	EVENT TITLE	Workshop: Different Concepts in illustrating Ideas on Design Board Evaluation
------------	----------	--------------------	--

BASIC INFO.	Guest speaker: Ahmed Kassab Date: 25/11/2020 Time: 20.00 - 21:30 PM Online platform: Teams
--------------------	---

BRIEF	The workshop is mainly oriented for the students to enhance their thinking capabilities and board presentation skills creatively, besides, demonstrating a thorough method for dealing with conceptual scenarios.
--------------	---

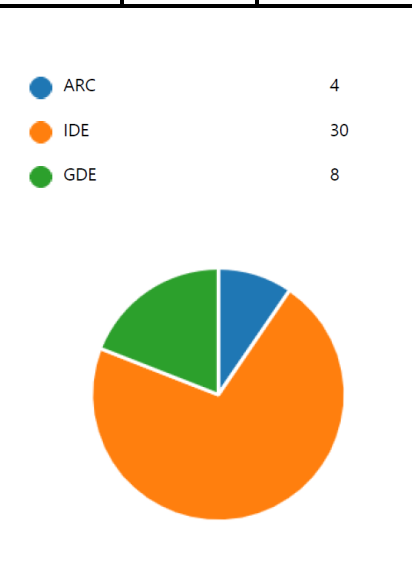

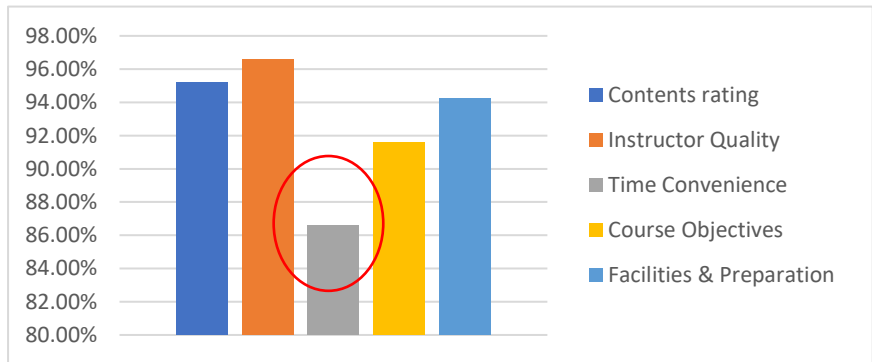

CONTENTS	1- concept design process work 2- Understanding design as problem-solving 3- Validating a concept and applying the concept throughout the project. Changing concepts partway through the design process. 4- Merge smart technologies and the latest trend into a design project. With case studies
-----------------	---

RESULTS and GRAPHS

PARTICIPANTS' EVALUATION					
Contents rating	Instructor Quality	Time Convenience	Course Objectives	Facilities & Preparation	Overall Satisfaction
95.2%	96.6%	86.6%	91.6%	94.2%	92.84%

ATTENDANCE		
Registered	Attending from DAU	Attending outside DAU
42	42	0

PARTICIPANTS COMMENTS	1. Thank you for the interesting workshop Everything was excellent and perfectly learned by dr.ahmed 2. Thank you for the great effort wow 3. ask the gest speaker to prepare a presentation
------------------------------	--

CONCLUSIONS	1. Ask the gest speaker for another workshop on campus with apractical part. 2. Make a suvey to ask for convenient time for participants.
--------------------	--

NO.	2	EVENT TITLE	Workshop: 3D MAX
------------	----------	--------------------	-------------------------

BASIC INFO.	Guest speaker: Aisha Aldoulti Date: 29/11/-2/12/2020 Time: 18.00 - 19:30 PM Online platform: Teams
--------------------	---

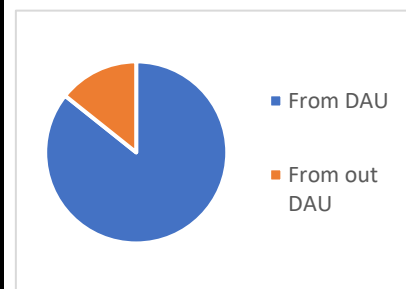

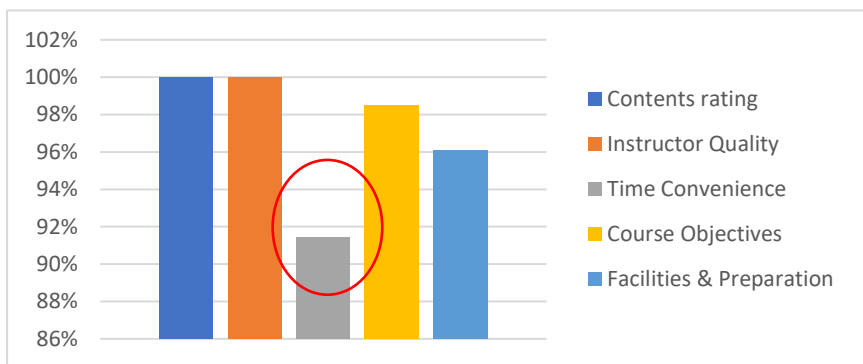

BRIEF	A short workshop presenting an introduction about 3D MAX 3D, which is a computer graphics program, used to create 3D models, animations, and digital images. The participant will be able to identify the way to use such modeling program in presenting final shots for his project from the beginning.
--------------	--

CONTENTS	<ol style="list-style-type: none"> 1- create interior project using Edit poly 2- Insert and modify Blocks 3- V-RAY light 4- V-RAY Material 5- physical camera 6-Render settings 	
-----------------	---	---

RESULTS and GRAPHS

PARTICIPANTS' EVALUATION					
Contents rating	Instructor Quality	Time Convenience	Course Objectives	Facilities & Preparation	Overall Satisfaction
100%	100%	91.4%	98.5%	96.1%	97.2%

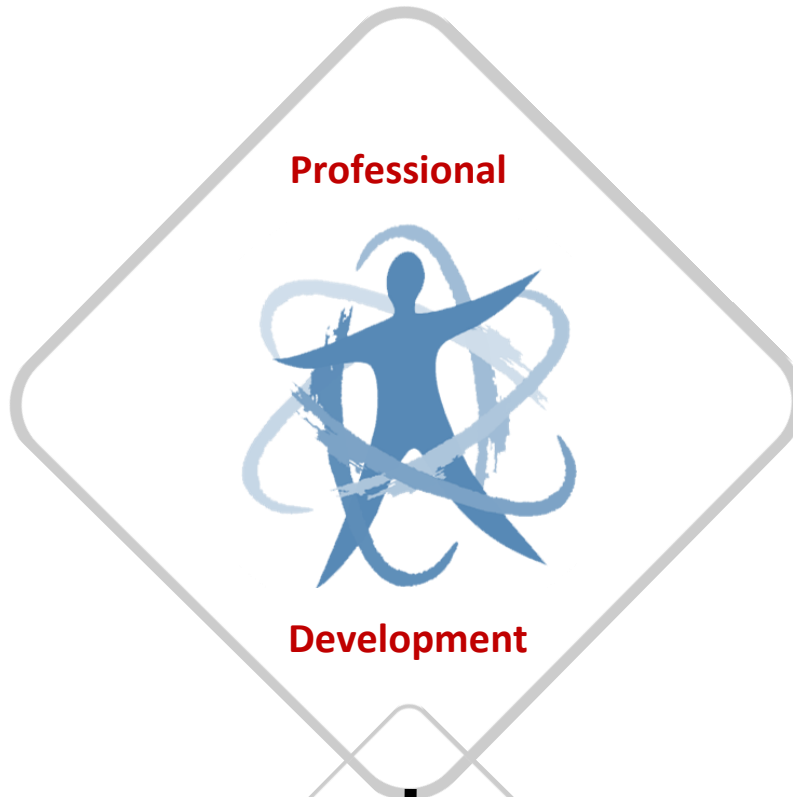

ATTENDANCE		
Registered	Attending from DAU	Attending outside DAU
194	42	0

PARTICIPANTS COMMENTS	<ol style="list-style-type: none"> 1. Everything was excellent and perfect 2. repeat the workshop 3. the trainer has excellent ability in explaining and mention valuable information
------------------------------	--

CONCLUSIONS	<ol style="list-style-type: none"> 1. Ask for another workshop . 2. change the platform to zom to make it more accessible 3. increase the workshop session 4. consider examination period while fixing the time
--------------------	---

NO.	3	EVENT TITLE	Photography competition					
BASIC INFO.	competition: CADD student Date: 16/11/-22/11/2020 Time: PM		BRIEF	Competition between CADD students to increase their photography skills as it is one of the needed talents for designers				
CONTENTS	1- Take a photo for one of the land marks in Saudi Arabia and add a comment to the photo							
RESULTS and GRAPHS								
PARTICIPANTS' EVALUATION					ATTENDANCE			
Contents rating	Instructor Quality	Time Convenience	Course Objectives	Facilities & Preparation	Overall Satisfaction	Registered	Attending from DAU	Attending outside DAU
Under Proceeding								
PARTICIPANTS COMMENTS				CONCLUSIONS	1. Motivate students to participate in such kind of extracurricular activities by using valuable awards. 2. Will be reactivated this semester.			

REPORT

IDP

1. Space syntax theory
2. Research methodologies about Value Engineering & Interior Design
3. Academic counseling using SIS
4. Orientation Workshop for ILOs transformation from NQF to SAQF domains

Professional development Report

NO.	1	EVENT TITLE	The contribution of space syntax theory to architecture and interior design
------------	----------	--------------------	---

BASIC INFO.	Guest speaker: Ahmed Refaat Date: 12/11/2020 Time: 16.00 - 17:30 PM Online platform: Teams
--------------------	--

BRIEF	space syntax theory and application in the field of architecture and interior design.
--------------	---

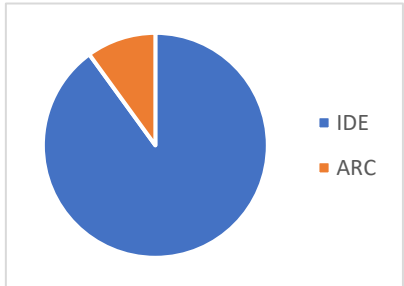

CONTENTS	1- An introduction of Space syntax theory 2-The philosophy of space syntax 3-Different analyses and techniques 4- Main analysis for architectural and interior design (convex – visibility – agent) 5- Important measures 6-Application and examples 7- Qs & As
-----------------	---

RESULTS and GRAPHS

PARTICIPANTS' EVALUATION					
Contents rating	Instructor Quality	Time Convenience	Course Objectives	Facilities & Preparation	Overall Satisfaction
98	95	85	92	97	93.4

ATTENDANCE		
Registered	Attending from DAU	Attending outside DAU
11	90%	10%

PARTICIPANTS COMMENTS	1-Adding real practical Project to be done during the workshop "Thank you " 2-Divide the content into multiple lectures 3- Valuable and new trend.
------------------------------	--

CONCLUSIONS	Recommending further or 2 nd edition of the lecture to practice and apply using depth map software. Better time can be selected for such kind of practical workshops
--------------------	--

NO.	2	EVENT TITLE	Workshop: Research Dissertation on the relation between Value Engineering & Interior Design
------------	----------	--------------------	---

BASIC INFO.	Guest speaker: Ahmed Waseef Date: 19/11/2020 Time: 16.00 - 17:30 PM Online platform: Teams
--------------------	--

BRIEF	Introducing the relation between Value Engineering & Workspaces performance, through presenting a research methodology investigating various trends to formulate that relation.
--------------	---

CONTENTS	<ul style="list-style-type: none"> - Part A: Value Engineering - Part B: Research topic - Part C: Correlation between VE and WP - Part D: Application and Analysis 	
-----------------	--	--

RESULTS and GRAPHS

PARTICIPANTS' EVALUATION						ATTENDANCE

93	92	89	99	96.6	93.92	10	0	100%

PARTICIPANTS COMMENTS	1-Should use Arabic language while presenting. 2-Use different strategies in presenting. 3- Very useful. 4- Thanks	CONCLUSIONS	1- Need to widen the range for applications. 2- Needs for interaction with the attendees.
------------------------------	---	--------------------	--

NO.	3	EVENT TITLE	Workshop: Academic counseling using SIS
------------	----------	--------------------	---

BASIC INFO.	Trainer name: Ms Arwa AL Sayed	BRIEF	Introducing an application about how to use SIS to perform academic counseling tasks.
	Date: 31th Aug. 2020 at 10.30 to 11.30 AM		
	Platform: Microsoft Team		

CONTENTS	- Part A: Academic Advising definition - Benefits	
	- Part B: Main Framework about study plan	
	- Part C: SIS interface regarding advising	
	- Part D: Application and Qs&As	

RESULTS and GRAPHS

PARTICIPANTS COMMENTS	1-Perfect nothing to add more	CONCLUSIONS	1- start this workshop earlier specially for new candidates.
	2-To start this workshop earlier. To have more applications in each part		
	3- Very useful.		
	4- Thanks		

NO.	4	EVENT TITLE	Orientation Workshop for ILOs transformation from NQF to SAQF domains
------------	----------	--------------------	---

BASIC INFO.	Trainer name: Dr. Hossam Salah – Ms. Joanna Feidi Date: 25th Aug. 2020 at 11.00 to 12.30 pm Platform: Microsoft Team
--------------------	---

BRIEF	hands-on workshop to explain the method to apply this transformation of courses learning outcomes from 5 domains to the new upgraded 3 domains in an easy way.
--------------	--

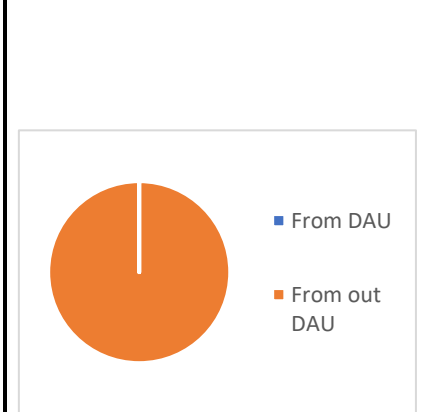

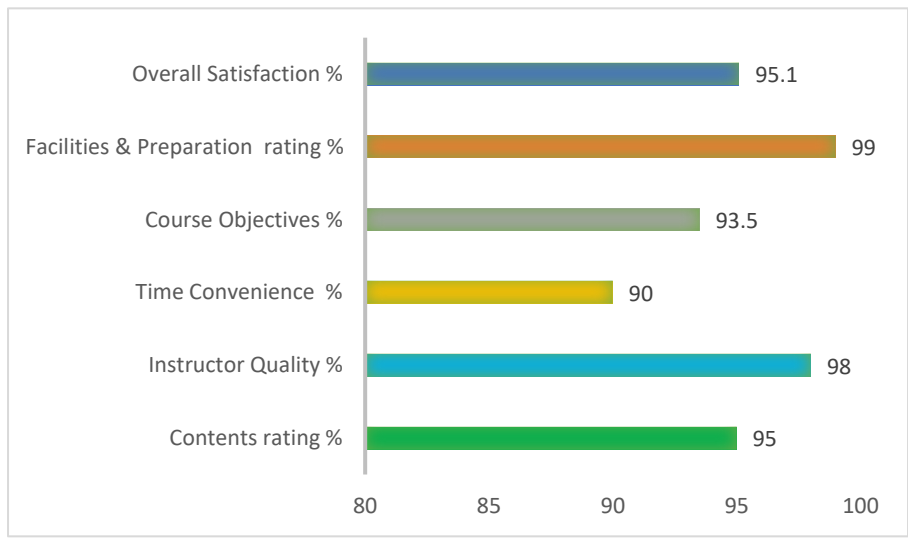

CONTENTS	<ul style="list-style-type: none"> - Introduction - Brief about the 3 domains - Writing good LOs. - Stages of transforming CLOs from NQF to SAQF domains - Applying of transformation on a practical course DES111 - Projection of CLOs with PLOs & assignments in syllabus - Applying of transformation on a theoretical course IDE 414
-----------------	---

RESULTS and GRAPHS

PARTICIPANTS' EVALUATION

ATTENDANCE		
Registered	Attending from DAU	Attending outside DAU
34	0	100%

PARTICIPANTS COMMENTS	1-Thank you very much for your great efforts 2- could you please add different courses 3- The best part of the workshop was that it was done with a practical example
------------------------------	---

CONCLUSIONS	1- Add different applications to the practical part. 2- add (Not Applicable) to the choices
--------------------	---

REPORT

IDP

1. Cooperative Association of HERFAH
2. Digital portfolio for high school students

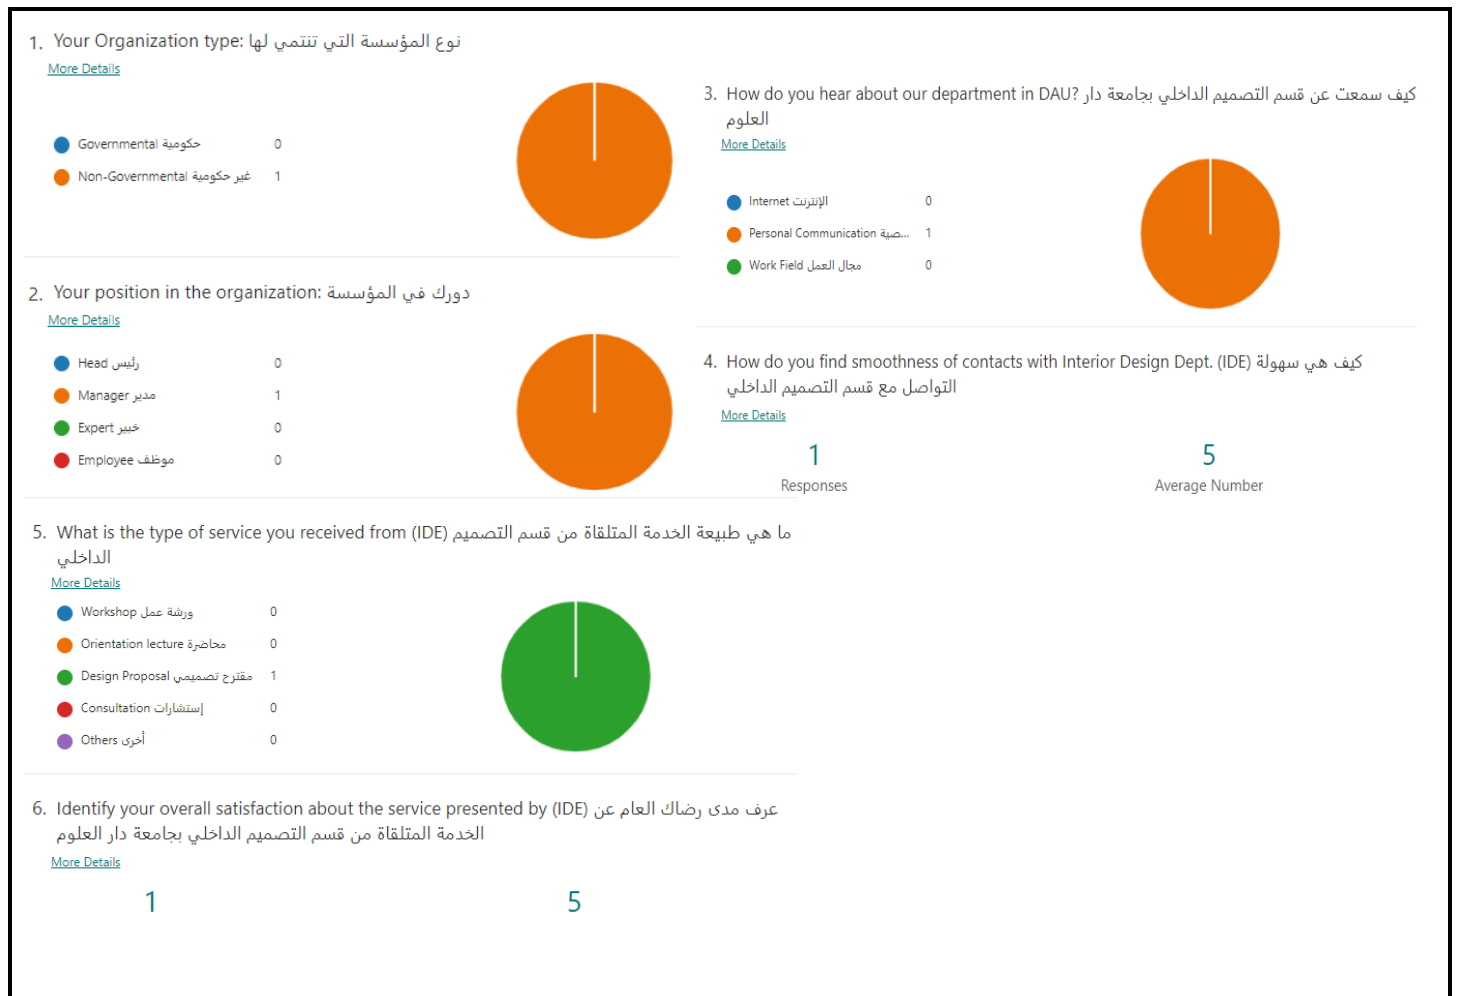

Community service Report First

NO.	1	EVENT TITLE	Community service :coffee shop design
-----	---	-------------	---------------------------------------

BASIC INFO.	<p>Community service: Hina Wasif Reham Alawwad Date: 16/11/2020 Time: PM On cumpos</p>	BRIEF	<p>The agreement included motivating students and professors of the two departments to support the families' designs produced by the Society of Crafts by integrating them into the courses of furniture design, innovative design, packaging and info graphic skills.</p>
-------------	---	-------	--

CONTENTS	<p>1- Providing special training and rehabilitation programs for students and graduates of the department in accordance with its training policies.</p> <p>2- Workshop with the students of IDE 311 Design Studio course regarding the participation of students in designing a craft café by integrating the project with that course.</p>	
----------	---	---

RESULTS and GRAPHS

IDE students' participations with HERFAH coffee within the course IDE311

 Dar Al Uloom University
College of Architecture and digital
Interior Design Program

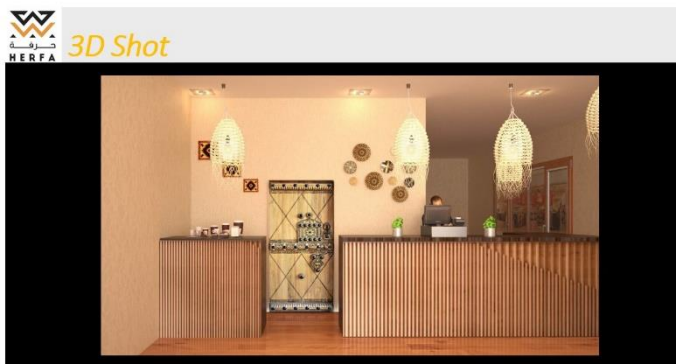

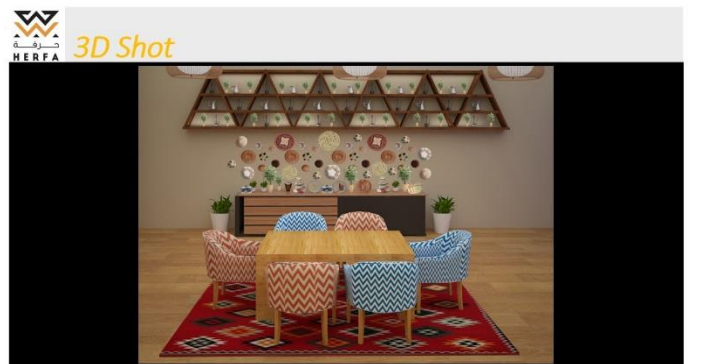

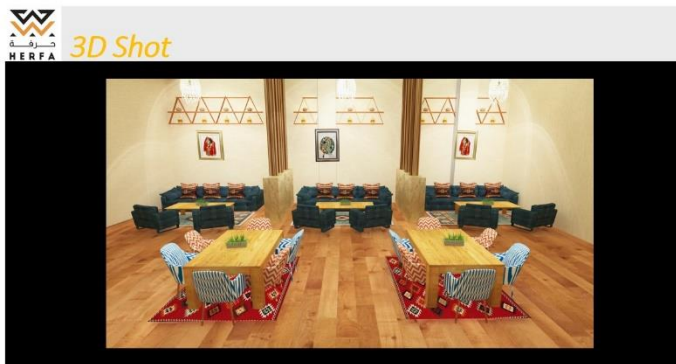

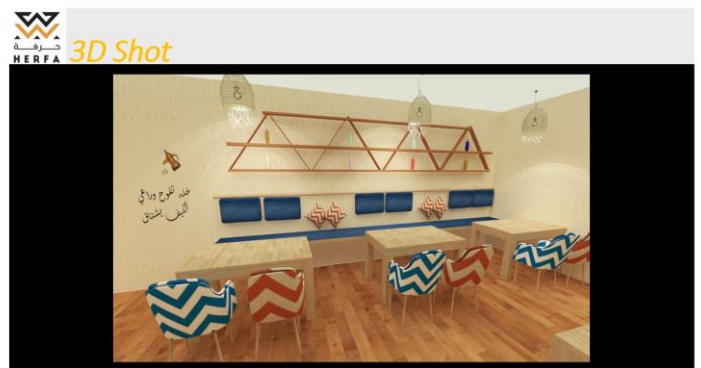

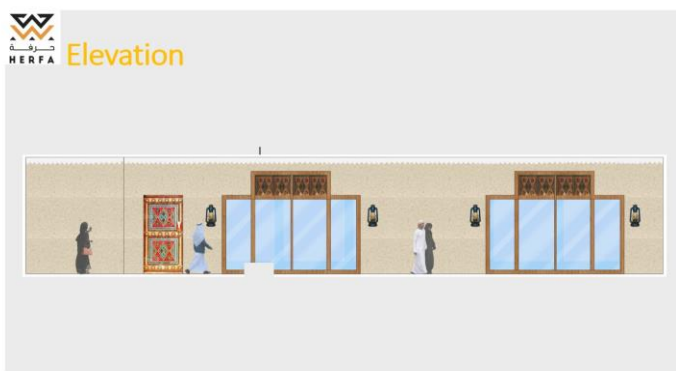

HERFA
Herfa coffee project

Designed By: Abeer Alrajhi, Haidab Almezem, Maha Almuammar, Ragedh Alkhalawi, Rehab Alharbi.

Supervised By : Ms. Hina Wasif, Ms. Reham AlAwwad

Location : Qassim, Saudi Arabia

IDE311 Interior Design IV Hospitality Design

NO.	2	EVENT TITLE	Community service: workshop about Student Digital portfolio
------------	----------	--------------------	---

BASIC INFO.	Community service: Reham Alawwad Date: 8/10/2020 Time: 15:30-17:00PM Online platform: Zoom	BRIEF	The workshop explains to the high school students how to document their achievements in their basic subjects like art, science, history, Arabic and English their hobbies and interests. the student will learn creative techniques to illustrate their portfolio
--------------------	--	--------------	---

CONTENTS	<ol style="list-style-type: none"> 1- Why we create a portfolio? 2- How I build my portfolio? 3- How we start the design? 4- Which software's are we using? 	
-----------------	---	--

RESULTS and GRAPHS

PARTICIPANTS' EVALUATION						ATTENDANCE		
Contents rating	Instructor Quality	Time Convenience	Course Objectives	Facilities & Preparation	Overall Satisfaction	Registered	Attending from DAU	Attending outside DAU
95	98	90	93.5	99	95.1	3	0	3

PARTICIPANTS COMMENTS	<ol style="list-style-type: none"> 1. Display good examples for portfolios 2. Wish to see an outstanding example to be followed 	CONCLUSIONS	1- Low participation rate needs more announcing and declaration
------------------------------	---	--------------------	---

Evaluation for IDE Performance in achieving activities plan for 1st Sem. 2020-2021
